Company history

“

About Rita:

As one of the largest and pioneer beverage manufacturer in Viet-nam, RITA was incorporated in 2004 as a 100% foreign owned company with 30,000 m² plant and more than 100 cooperation farm, and specialized in R & D, manufacture and export of beverage products , over 500 workers created 30,000MT/year quality products and exported to more than 100 Countries with high reputation feedback, We are always dedicating to be valuable and trustworthy supplier based on full flexible and strength to customize your OEM & ODM Orders with thorough service after sale.

”

• The reasons why you can rely on us for quality drinks:

- Advantageous geographical location with full of fresh fruit all year around.
- Fruit harvesting properly ensure the sweet and sour moderate.
- Only select the fresh and hygienic fruit as raw material.
- Professional R & D team keeps improving the formula and process to get better taste and high quality beverage .
- Talented European design team offering original designs for label, package, bar code.
- Abundant experience serving world's supermarkets, online shops, wholesalers, importers.
- Lower your cost from free sample and design label.
- Improve your competition with supporting promotion regularly.
- Right reserved attractive bottle shapes.

• Our certificates:
